Introducing The RHF Newsletter!

Exciting News from the IQHA Ranch Horse Futurity: Introducing Our New Monthly Newsletter!

We're thrilled to announce the kickoff of the IQHA Ranch Horse Futurity's brand-new monthly newsletter! As we gear up for another incredible year of celebrating the best in ranch horse breeding and competition, this newsletter is our way of keeping our passionate community connected, informed, and inspired.

We'll be publishing a fresh edition each month, packed with everything you need to stay in the loop on the futurity's highlights and happenings. At the heart of our newsletter will be in-depth features on the stallions, owners, and breeders who make the IQHA Ranch Horse Futurity shine. We'll shine the light on these remarkable horses and the dedicated individuals nurturing the next generation of champions.

(cont.)

Thank you, and Congratulations to everyone who made 2025 Special! We are excited to continue the tradition in 2026, with even more fun and excitement bringing new and exciting events, bigger prizes, and plenty of surprises to keep the momentum rolling and make this season one for the books! Lets Get Ranchy!

IQHA - RHF

Powered by Volunteers

The Iowa Quarter Horse Association Ranch Horse Futurity is proudly planned, managed, and delivered by a dedicated committee of volunteers who donate countless hours throughout the year to produce one of the premier ranch horse futurities in the country.

From event planning and sponsorship coordination to arena operations, hospitality, marketing, and exhibitor support, volunteers are the backbone of the IQHA RHF. Their commitment, expertise, and passion make it possible to host a futurity of this size and caliber—welcoming thousands of entries, competitors, and spectators from across multiple states.

Despite its impressive scale, significant payouts, and professional presentation, the IQHA RHF remains a grassroots, volunteer driven event. This collective effort ensures a high-quality, family friendly show experience while reinvesting sponsorship support directly into competitor payouts, awards, and the continued growth of ranch horse competition.

Sponsors are not only supporting a premier equine event—they are supporting a community driven tradition, brought to life by volunteers who are deeply invested in the future of the ranch horse industry.

Thank you to our Sponsors, Stallion Owners, Exhibitors, and most of all the Volunteers who spend countless hours making this spectacular futurity possible.

(Introduction cont.)

Of course, no futurity newsletter would be complete without promoting our upcoming shows and celebrating well-deserved awards. Expect previews of competitions, entry deadlines, and event recaps that capture the excitement of the arena. We'll highlight award winners, share inspiring tales of perseverance and achievement, and provide updates on how you can get involved—whether as a competitor, spectator, or supporter.

And let's not forget our amazing sponsors! The IQHA Ranch Horse Futurity wouldn't be possible without their generous support, and our newsletter will showcase them in style. We'll make sure these partners get the recognition they deserve for helping us grow the ranch horse community in Iowa and beyond. Please show your support by supporting these sponsors.

We're so excited to launch this newsletter and bring even more value to our members, fans, and equine enthusiasts. If you have a story that you would like to see featured in our newsletter please contact ranchiqha@gmail.com. Together, let's make this year the best one yet—see you in the newsletter!

For more information or to get involved, contact us at ranchiqha@gmail.com or follow us on social media.

Sponsor Spotlight

We're proud to feature our title sponsor, ABI Attachments, a leader in equipment designed for outdoor work on ranches and horse properties. Specializing in high-quality tools like arena drags, manure spreaders, water trailers, driveway graders, landscape rakes, grading blades, infield groomers, and ATV dump trailers, ABI Attachments ensures optimal performance for horse arenas and equestrian facilities. Their Dragmaster Horizon is the official arena drag of the National Finals Rodeo (NFR) and its top competitors, making them an ideal partner for events like ours. ABI manure spreaders are built tough to handle all kinds of manure, bedding, and straw; and their innovative shred-and-spread design promotes pasture health and cultivates a better environment for your horses. ABI water trailers are perfect for watering your arena, dust abatement around your property, and filling troughs.

ABI's commitment to durability and innovation supports ranchers and horse owners in maintaining top-notch arenas, and we're grateful for their ongoing support of the IQHA Ranch Horse Futurity.

To learn more about how ABI Attachments can benefit your farm or ranch, please visit: abiattachments.com
